- * Don't panic if you haven't got all the equipment listed above, talk to one of the Leaders who may be able to give sensible advice or alternatives.
- * Those with a Uniform should wear it to and from the camp.
- * **ALL** items should be clearly labelled with the young person's name. Please label all non-clothing items also. Nail varnish labelling on items usually last quite well but remember people often have same initials or surname.
- * No Aerosol deodorants, they are often flammable, can affect those with asthma and can damage the canvas of tents.
- * A number of layers is warmer than one thick one and the warmth can be regulated more easily - do not forget your hands and head, wearing a woolly hat in bed sounds daft but makes a big difference.
- * Do not pack your torch with batteries fitted (or at the bottom of your kit) as it could easily get accidentally turned on and you will arrive at the camp with flat batteries.
- * It is best to pack a rucksack or sports bag that you can carry on your back.
- * Please try to get your Young person to participate in packing.
- * STRICTLY NO knives
- * No electronic devices
- * No Mobile Phones (Leaders will have ability to contact or be contactable in the event this is necessary)
- * Any medicine necessary is to be handed to section leader, clearly labelled and in original pharmacy packaging. Please see your leaders in advance to sign the medication forms necessary.
